## Our Vision

Our vision is to see people connected, lives changed, and the church multiplied.

We believe God has called us not only to gather people, but to reach people. Not only to grow, but to multiply—so that more people can encounter Jesus and be transformed by the gospel.

---

## A Call To Multiply

Over the past several months, we have been exploring what it would look like to multiply in new locations beyond Frankenmuth.

Through our Launch Site Gatherings, we've been listening, learning, and seeking clarity. While we don't have every detail yet, we believe God is leading us to take a step forward.

---

## The Next Step

This fall, we will launch a two-year capital campaign with a goal of approximately **\$2 million**.

The plan is to:

- Eliminate our remaining debt (approximately \$1.2-1.3 million)
- Invest roughly \$800,000 to launch a new campus

These funds would cover essential startup needs like equipment, seating, kids environments, and other ministry essentials.

---

## Why This Matters

Removing our debt positions us to move forward sustainably.

A new campus will require ongoing support—estimated at least \$200,000 per year—which is similar to what we currently pay toward our mortgage.

This step allows us to move from talking about multiplication to actually stepping into it.

## How You Can Be A Part Of It

We're asking our church family to do two things:

**Pray.** Ask God to guide our church and show you your part.

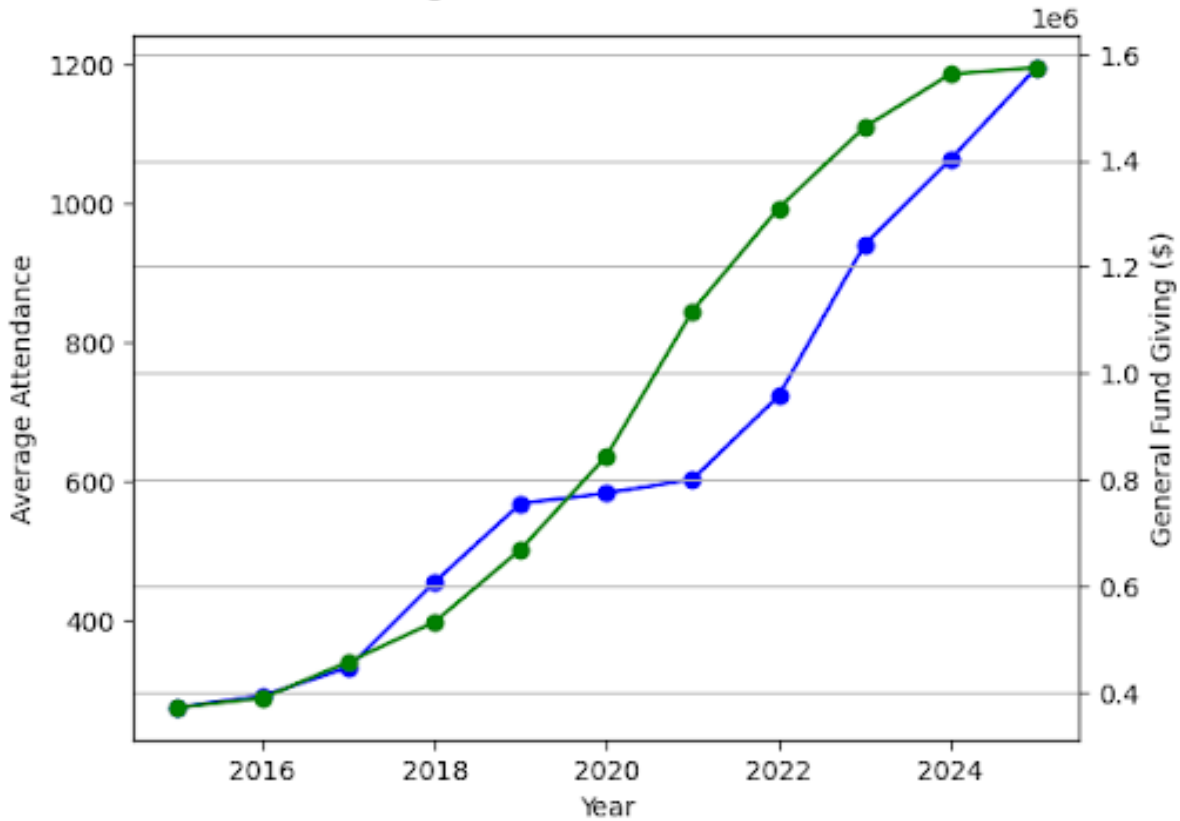

**Stay Engaged.** Ask questions, seek clarity, and stay connected.
